

ST. LOUIS PARK HIGH SCHOOL

2023-2024 Tours & Information Sessions

Tour St Louis Park High School and learn more about what makes our school inclusive, academically rigorous, and engaging for students. Did you know that all high school students take one or more college-level courses? Parents/caregivers and students are encouraged to attend together.

Learn about:

- Rigorous academic programing
- Extracurricular activities, arts, and athletics
- College-level courses like International Baccalaureate Programme and Advanced Placement Program
- How to enroll if you live in a city other than St. Louis Park (Open Enrollment)

We'll also have a Question and Answer session with staff and a walking tour of the building.

Questions? Contact Barb Nelson, 9th Grade Counselor, at 952-928-6131.
